1. Individual competition part

The exercises on distances 3, 5, 7 and 9 meters are held in accordance with the Rules for sport knife throwing competitions. Throws are made with optional knife grip from shoulder level.

At the preliminaries the participants shall perform 5 series in 3 knives. 6 participants with the largest score get into the finals and perform next 10 series in 3 knives.

A time interval for each series makes 1 minute.

Repeating of throws is not allowed.

The athletes' throwing order is determined by the panel of judges according to the drawing procedure results.

In case of equivalence of results, the priority is given to a participant with the last throwing run's better score (or next to the last, etc.).

In the finals the sequence of athletes' performance shall be established in a way that the leaders of the preliminaries appear in the end of queue.

If a participant does not appear in the sector of throwing within 1 minute after invitation, he is exempted from the competition in the discipline on the particular distance.

Prior to any exercise an athlete is given an opportunity to perform 2 trial throwing series (in 3 knives).

Time counting for every exercise is started from the arbiter's command: «... zachiotnaya seriya. PRISTUPIT'!» («...scoring throws NOW START!«).

A throw performed before the arbiter's command is cancelled, and a participant is warned. At any posterior violation the participant is penalized by 20 points.

2. Team competition part

A team consists of 4 people from one region.

For boys and girls: 2 girls perform 10 series in 3 throws from 3 m, and 2 boys perform the same from 5 m. Their results are summed.

For men and women: 1 woman performs 10 series in 3 throws from 3 m, and 3 men perform 10 series in 3 throws from distances 5, 7 and 9 m. Their results are summed.

Trial series are not allowed.
